ABOUT DANCE2nd - 12th grade

'A' is beginner and 'E' is advanced (Intro is first level of Ballet). Students move through the levels by teacher permission only.

Dance is for everybody and MoCo Arts offers the grace and athleticism of Ballet, the fun of Hip Hop based in the current street styles, the showmanship of Broadway style Jazz, the free and expressive style of Modern and the high energy hoofing of Tap. All programs participate in professional quality performances, but no dance student is required to perform. Each discipline offers multiple levels of classes based on the skill level of the student.
