

Dear *Finding Nemo Kids* cast and families,

Great job at auditions to everyone! We hope you are as proud as we are. Eliora, Abby and I were very impressed, and this was by the far the hardest show we've ever cast. Your bravery, energy and ability to bring these characters to life really shone. It was so awesome to see the fun that you were having, and we cannot wait to dig into creating this show with all of you.

You may not have received the part(s) that you wanted and feeling disappointed is okay and a part of the auditioning process. You each were placed in a role that will benefit the show and highlight your many talents. Each part is important to the show and will help tell the story. Feel proud of yourselves and your castmates because together you will make a wonderful show.

You will notice that many people were cast in several parts. There are so many ensembles in this show, and we did our best to make sure people are showcased as much as possible. As we begin rehearsing more, some of these ensembles may need to change slightly in order to leave time for costume changes. But please know we are going to include as many people as possible as often as possible.

We will do a **"read through" on Wednesday, January 17<sup>th</sup>**. If you have a speaking role, please **highlight your lines ahead of time and practice reading through them**. It will be so fun to hear you all in your new roles!

During rehearsals, it is VERY important that:

- Your child be at every class and/or rehearsal with their script and a writing utensil.
- IF your child is going to miss class that you call the desk at MoCo and let us know as far in advance as possible.
- That you help/encourage your child to practice lines, listen to the music, and review blocking at home to reinforce the work we do in class.

If you have any questions or concerns, please reach out to us at [info@moco.org](mailto:info@moco.org). See you in class!

Caitlin Dubois  
*MoCo Arts Elementary School Musical Theatre Director*

<b>Finding Nemo Kids</b>	<b>Cast List</b>
