

Hello Cast and Families of *Finding Nemo Kids*,

Believe it or not, we are only five weeks away from our performance! This show has been much bigger and more challenging than we predicted. There is still a lot to be done in this short amount of time. Please encourage your actor to be practicing at home every day. This includes listening to the music tracks (both with and without words) and singing along out loud. Also, reviewing choreography at home and learning and practicing lines. All the music can be found online through MoCo's Parent's Page (moco.org/parents-page) or this link:

https://drive.google.com/drive/folders/1CyObkAtE6QrVFB5dphFwEVwfmKVkgPP1?usp=drive_link

Students should be off book (which means they have memorized their lines and lyrics) by March 27! We want the actors to be as prepared and confident as possible. Thank you for your help and encouragement at home. It is going to be a great show and we are excited to share it with you!

Sincerely,
Caitlin Dubois
Elementary Musical Director
