**Costumes**

Due to most of the cast playing multiple roles, we are asking certain groups to provide their own base costume.

- **Sea Turtle Ensemble, Jellyfish, Sharks, Shark “Friends”, Fish Ensemble, Seagulls, and Just Keep Swimming Ensemble** (in addition to their other roles) need to have a tighter fitting shirt and pair of pants in shades of blue. They can wear any shade of blue, but there should be no printed

images or text on their clothing (tie-dye and water/wave-like patterns are acceptable if they are primarily blue).

- **Nemo, Marlin, Dory, Bubbles, Bloat, Gurgle, Peach, and Gill** should all have a tight-fitting tank top or leotard and tight-fitting shorts, if desired, to wear under their costumes
- **For all shoes**, they can either be barefoot or have black dance shoes.

## Hair & Makeup

Stage makeup is important to see all the actors' features on stage with intense stage lighting and some actors will receive some specialty makeup looks for the show. We will have volunteers applying cast makeup, but if you would like to apply makeup at home you can take a look at the [makeup designs](#). Actors in the ensemble can choose the color they would prefer.

We will have some limited makeup supplies at MoCo, however, for sanitary reasons, we recommend actors bring their own supplies. If your child has skin sensitivity or an allergy to makeup or makeup remover, please let us know.

Long hair should be pulled back (braids, a bun, however, you would like that works for your character), so it is out of your face. If your character wears a hat, please make sure you can wear it easily with your hairstyle of choice.

As always, if you have any questions or concerns, please don't hesitate to reach out!
